Ask Barb — Your AI Guide for Independent Living

Ask me anything about using AI to make your daily life easier. No tech jargon, just plain talk.

Not sure what to ask? Try one of these:

How can AI help me remember my medications?

What's the easiest way to video call my family?

Can AI help me manage my bills and budget?

How do I use voice assistants like Alexa or Siri?

What AI tools can help me stay safe living alone?
